

**APPLICANT SUMMARY OF INTERVIEW WITH THE EXAMINER**

Date: March 25, 2009

Type: Telephonic

Participants: Examiner Madamba, Michael F. Krieger (35,232), Adam Stevens (58,577)

**Summary of Substance of Interview:**

The invention was discussed, as well as the current rejections under sections 101 and 103. Applicant's representatives discussed benefits of the invention and how those benefits and methods for obtaining those benefits were not disclosed in the cited art references, substantially as presented and discussed in the amendments and remarks below. The Examiner suggested representative language to add to the claims with respect to the section 101 rejections.

Applicants thank the Examiner for his time and consideration during the telephonic interview.
